Ask the Passengers

A.S. King

Ask the Passengers A.S. King

In this truly original portrayal of a girl struggling to break free of society's definitions, Printz Honor author A.S. King asks readers to question *everything*--and offers hope to those who will never stop seeking real love.

Astrid Jones desperately wants to confide in someone, but her mother's pushiness and her father's lack of interest tell her they're the last people she can trust. Instead, Astrid spends hours lying on the backyard picnic table watching airplanes fly overhead. She doesn't know the passengers inside, but they're the only people who won't judge her when she asks them her most personal questions...like what it means that she's falling in love with a girl.

As her secret relationship becomes more intense and her friends demand answers, Astrid has nowhere left to turn. She can't share the truth with anyone except the people she imagines flying over her at thirty thousand feet, and they don't even know she's there. But little does Astrid know just how much even the tiniest connection will affect these strangers' lives--and her own--for the better.

From reader reviews:

Joseph Sutton:

The particular book Ask the Passengers has a lot info on it. So when you check out this book you can get a lot of help. The book was written by the very famous author. Tom makes some research prior to write this book. This particular book very easy to read you can obtain the point easily after looking over this book.

Marlys Wieland:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get large amount of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely yes. People is human not really a robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will certainly unlimited right. Then ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, typically the book you have read will be Ask the Passengers.

Filiberto Dacosta:

Is it you who having spare time after that spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Ask the Passengers can be the response, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Martin Hobson:

What is your hobby? Have you heard this question when you got scholars? We believe that that issue was given by teacher to the students. Many kinds of hobby, All people has different hobby. And also you know that little person like reading or as reading through become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your teacher or lecturer. You will find good news or update in relation to something by book. Different categories of books that can you take to be your object. One of them is actually Ask the Passengers.
