There's more than blood and bone beneath the skin...The victim, a nondescript "numbers cruncher," died horribly just yards away from his terrified wife and daughter, murdered by men who clearly enjoyed their work. The crime scene is one that could chill the blood of even the most seasoned police officer. But the strange revelations about an ordinary accountant's extraordinary secret life are what truly set Chief Inspector Alan Banks off-as lies breed further deceptions and blood begets blood, unleashing a policeman's dark passions...and a violent rage that, when freed, might be impossible to control.
