Michael Jordan: The Life Roland Lazenby

The definitive biography of the most legendary basketball player of all time.

Drawing on personal relationships with Jordan's coaches; countless interviews with friends, teammates, family members, and Jordan himself; and decades in the trenches covering Jordan in college and the pros, Roland Lazenby provides the first truly definitive study of Jordan: the player, the icon, and the man.

When most people think of Michael Jordan, they think of the incredible moments so ingrained in basketball history that they have their own names: The Shrug, The Shot, The Flu Game. But for all his greatness, there's also a dark side to Jordan: a ruthless competitor, a gambler. There's never been a biography that balanced these personas-until now.
