In these two sizzling shorts, two couples engage in some very different (and steamy) ways of passing their time.

In Sugar, Eva explores her hunky new love interest, Jace, a beautiful farmer's son from New Zealand. He's kind and sweet, but over six feet of golden-tanned muscle. How can she resist? This story is roughly 4500 words long, and contains steamy scenes of sexy sex between a man and a woman, and some swearing.

In Spice, Dan's flirty step-sister Cassia drags home a drunken one night stand. Considering how small their shared apartment is, how will she and her new lover satiate their sexual appetites without Dan accidentally overhearing? This story is roughly 4500 words long, and contains steamy scenes of sexy sex between a man and a woman, with a third voyeuristically listening in, and some swearing.
