The 99th Monkey: A Spiritual Journalist's Misadventures with Gurus, Messiahs, Sex, Psychedelics, and Other Consciousness-Raising Experiments Eliezer Sobel

Suffused with a unique brand of irreverent humor, this account recalls the autobiographical explorations of the most significant alternative communities, ashrams, gurus, shamans, and consciousness-raising seminars of the past 40 years. Serving as a human guinea pig for many of the most popular cutting-edge New Age, human potential, and spiritual experiments, Eliezer Sobel recounts intercontinental adventures in India, Israel, Brazil, and Haiti. From Primal Therapy to the Dalai Lama, this perceptively witty analysis includes brushes with cults, wild experiments with sex and psychedelics, and encounters with visionary gurus and contemporary madmen.
