The Changeling

Joe Rogers

The Changeling Joe Rogers

Shauna, eldest of five adopted children, is kidnapped by fairies and a changeling is put in her place. The changeling and her magic are a huge success with the family. Unfortunately, the dimwit fairies in charge of the changeover inadvertently kidnap five-year-old Sierra as well, and in the first of many adventures, the changeling and company set out for Fairyland to rescue Sierra. Their search uncovers a plot hatched by the outlawed elves on Rombauld's Moor to annihilate all of Fairyland. Evil is afoot with the witch, Ratstails, and her legion of man-eating crows! The world's only two-headed dragon, Alawn Tinah, is being cloned from ancient dragons' bones, making the adventure even more perilous. The Changeling will thrill children of all ages everywhere.
