The Fundamentals Of Buying And Selling Companies Mike Teng

Everyone wants to be their own boss. The easiest way to do this is to have your own business. You can own a business and be your own boss. But to own a business, you either need to start your own business or buy an existing business. Starting a business is not for everyone but yes just about anyone and everyone can buy an existing business. This book will guide you on how to buy an existing business for the right prices, turn around the business if the business you purchased is a sick business and how to grow your business through mergers and acquisitions. Through mergers and acquisitions, you can grow your business many folds. Once your business has grown, you may want to sell it and get back your investment and a profit. This book will also guide you on how to sell your business for the best price. It is written by a practitioner who has gone through several mergers and acquisitions as well as turn around troubled businesses and sold them away for a great profit.
