The Gendered Society Reader

Michael Kimmel, Amy Aronson

The Gendered Society Reader Michael Kimmel, Amy Aronson

The battle between the sexes has raged on for centuries; however, are men and women really from different planets? In *The Gendered Society Reader*, Fifth Edition, coeditors Michael Kimmel and Amy Aronson pull together an array of dynamic voices--both male and female, classic and contemporary--to examine various interpretations of gender. These lively, in-depth readings explore gender discourse over a wide range of disciplines, focusing primarily on two central issues: difference and domination. Carefully balanced to reflect the diversity of its subject, this text addresses provocative and fundamental questions including:

- * How are males and females different?
- * What do these differences mean?
- * How do various cultures and religions interpret gender?
- * Why do societies continue to differentiate people on the basis of gender?
- * Why is it that almost every known society is based on male domination?

Michael Kimmel's textbook, *The Gendered Society*, Fifth Edition (OUP, 2013), provides a perfect complement for classroom use.
