*Hobie the Hope Bear* is beautifully illustrated by award-winning artist, Pamela Erickson. Hobie was created in response to the 9/11 tragedy and the recognition that our children are the key to a world of understanding and respect. Hobie appeals to parents who want a little extra help in talking to their children about differences and prejudices. He appeals to children who can relate to feeling different or left out. This book is the first in a series of adventures that will help Hobie understand that we are all more alike than we are different. The planned series of Hobie adventures will tackle how to find the keys to bonding with others, including the importance of respect, empathy, and understanding.
