Survival Research: Problems and Possibilities (Psychic Exploration) William G. Roll

When we ask whether consciousness continues after death, we usually assume that a surviving self will exist in some kind of body and will include the personality familiar from waking experience. Since the consciousness that may continue after death presumably exists before, we may explore it in the living. This essay, chapter 17 of *Psychic Exploration*, studies the problems and possibilities of survival research. The full volume of *Psychic Exploration* can be purchased as an ebook or paperback version from all major online retailers and at cosimobooks.com. WILLIAM G. ROLL (1926–2012) was a faculty member in the psychology department at the University of West Georgia. Previously, he was project director of the Psychical Research Foundation, in Durham, North Carolina and on the staff of the Parapsychology Laboratory at Duke University. Mr. Roll was the editor of *Theta*, published by the Psychical Research Foundation. He was co-editor of the *Journal of Parapsychology* from 1958 to 1960 and chief editor of the *Proceedings of the Parapsychological Association*. Mr. Roll published many articles and reviews in American and British parapsychological and scientific journals and is author of *The Poltergeist* (Paraview Special Editions).
