## **La Ciudad de las Bestias** Isabel Allende

Alexander Cold, un joven de quince años, tiene la oportunidad de hacer el viaje de su vida. Dejando atrás a su familia y a su madre enferma, Alexander Cold se embarca con su temeraria abuela, reportera de *International Geographic*, en una peligrosa expedición al Amazonas. Su misión y la de sus compañeros de viaje -- entre otros, un célebre antropólogo, un guía local y su hija Nadia, y un doctor -- es documentar al legendario Yeti del Amazonas, más conocido, como "La Bestia."

En el mundo oculto de la impenetrable selva tropical, Alexander descubre mucho más de lo que jamás se hubiese imaginado. Con la fuerza del jaguar, el animal tótem elegido por Alexander, y el águila, la guía espiritual de Nadia, ambos jóvenes se dejan guiar por la invisible gente de la neblina en una apasionante e inolvidable aventura que los lleva al descubrimiento de . . .

En una deslumbrante novela de aventuras, la célebre escritora, Isabel Allende, lleva a sus lectores por el misterioso sendero, de dos búsquedas personales en un viaje épico, lleno de realismo mágico, al corazón del Amazonas.
