Telomerase Vivian

“Researchers have shown that secretions of the Skene’s Glands contain an enzyme that extends the life of cells; hence female ejaculate has been called the nectar of youth or the enzyme of immortality. It is most probable that this enzyme is Telomerase, which decreases the ageing of cells.” The Healing Power of the Sacred Woman: Health, Creativity, and Fertility for the Soul by Christine R. Page MD Bear & Co (November 20, 2012) Telomerase, also called Telomere Terminal Transferase, is a Ribonucleoprotein that adds the Polynucleotide "TTAGGG" to the 3' end of Telomeres, which are found at the ends of Eukaryotic Chromosomes. This book details another naturally occurring source of Telomerase as well as other beneficial 'prescriptions' available in the body of the divine feminine which can defy ageing, disease and death if consumed as described.

From reader reviews:

Nathan Wilson:

What do you concentrate on book? It is just for students because they are still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that concern above. Every person has diverse personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great and also important the book Telomerase. All type of book can you see on many sources. You can look for the internet solutions or other social media.

Judith Cole:

Here thing why that Telomerase are different and reliable to be yours. First of all studying a book is good nonetheless it depends in the content from it which is the content is as delightful as food or not. Telomerase giving you information deeper and in different ways, you can find any reserve out there but there is no e-book that similar with Telomerase. It gives you thrill reading through journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. You can easily bring everywhere like in area, café, or even in your way home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Telomerase in e-book can be your option.

John Mendoza:

Do you one among people who can't read pleasurable if the sentence chained in the straightway, hold on guys this specific aren't like that. This Telomerase book is readable through you who hate the straight word style. You will find the info here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to offer to you. The writer involving Telomerase content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the content material but it just different such as it. So , do you nevertheless thinking Telomerase is not loveable to be your top checklist reading book?

Marjorie Calhoun:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is inside the former life are challenging to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Telomerase as your daily resource information.
