Vsevolod Meyerhold (Routledge Performance Practitioners) Jonathan Pitches

All books in the *Routledge Performance Practitioners* series are carefully designed to enable the reader to understand the work of a key practitioner. They provide the first step towards critical understanding and a springboard for further study for students on twentieth century, contemporary theatre and theatre history courses. This is the first book to combine

- a biographical introduction to Meyerhold's life
- a clear explanation of his theoretical writings
- an analysis of his masterpiece production 'Revisor, or The Government Inspector'
- a comprehensive and useable description of the 'biomechanical' exercises he developed for training the actor.
