The *New York Times* bestselling author of *At the Drop of a Hat* returns to her London hat shop with a fresh tale of milliners and murder.

For Scarlett Parker, part of the fun of living in London is celebrating the British holidays, and she's excited to share her first Bonfire Night with her cousin Vivian Tremont. Invited to a posh party by their friend Harrison Wentworth, Scarlett and Viv decide to promote their hat shop, Mim's Whims, by donning a few of their more outrageous creations. The hats prove to be quite the conversation starters as the girls mix and mingle with the guests—never suspecting that one of them is a killer.

It's a cold, clear night, perfect for the British tradition of tossing a straw stuffed effigy of Guy Fawkes, traitor to the crown, onto the bonfire. But instead of a straw man, they realize in the heat of the moment that the would-be Guy Fawkes is actually Harrison's office rival and he's been murdered. Before the smoke has cleared, Harrison is the Metropolitan police's prime suspect, and Scarlett and Vivian must find the real homicidal hothead before their dear friend's life goes up in flames.

#### **Theresa Kuykendall:**

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Copy Cap Murder: A Hat Shop Mystery can make you truly feel more interested to read.
