I Want You Bad: Obsessed Erotic Romance for Women

We've all been there — so taken by a lover that you just can't stop thinking about him. Your imagination runs wild, fueling your fantasies. You feel hot, feverish, out of control. Your only hope of release is to possess and be possessed. In *I Want You Bad*, Rachel Kramer Bussel has curated a gloriously explicit collection of riveting romance with an edge. Whether just-blooming passions, rekindled sparks, or reinvented relationships, these lovers put the object of their obsession first. From the almost-divorced couple in “Aftershocks” by Bella Andre, who finally confess their deepest desires during an earthquake, to a woman who tells her boyfriend just how much she lusts after another man in Emerald's “Then,” these lovers push the boundaries of their trust and are rewarded for those risks. Obsessed lovers don't always do what is rational; sometimes they chase their dreams across the world and across the landscape of their lovers' bodies, as in Kayla Perrin's “One Night in Paris.” Lustful and literary, this book asks just how far you'll go for the man you love.
