Wide Is the Gate (The Lanny Budd Novels) Upton Sinclair

Upton Sinclair's Pulitzer Prize-winning saga continues as Lanny Budd faces the horrors of Nazi Germany and steps into the fire of the Spanish Civil War

Lanny Budd's dedication to social justice and political action has placed a serious strain on his marriage to his heiress wife, Irma, but as he moves through the 1930s, the international art dealer is unable to turn a blind eye to what is happening in Europe. As the Nazi Party solidifies its power in Germany, Lanny recognizes a golden opportunity to make a difference when his arms dealer father strikes a business agreement with Hermann Göring, Adolf Hitler's second-in-command.

Robbie Budd's alliance with the Luftwaffe commander and Lanny's art world reputation enable the younger Budd to move easily among the Nazi high command and gather valuable information he can transmit back to those who are dedicated to the destruction of Nazism and Fascism. It is a dangerous—albeit necessary—game that Lanny is playing, and it will carry him from Germany to Spain on a life-and-death mission on the eve of the Spanish Civil War.

The fourth installment of an eleven-book series, *Wide Is the Gate* continues Upton Sinclair's literary journey through the tumult of the twentieth century. An astonishing mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of the author's vision and his singular talents as a storyteller.
