Arnold Palmer, Peter Dobereiner

Arnold Palmer's Complete Book Of Putting Arnold Palmer, Peter Dobereiner

Arnold Palmer is the most popular champion in the history of golf, which is all the reason a great many of his fellow-addicts will need to own and enjoy this beautiful book. At his peak, Arnold Palmer might just have been the greatest putter who ever lived. Co-author, Peter Dobereiner, might reasonably be regarded as the Arnold Palmer of the golf-writing fraternity. Characterful and talented as that community is, no member of it quite matches the panache, perspective, and pungency Dobereiner brings to writing about golf. As a golf reporter/commentator for a major London newspaper, a leading monthly contributor to golf magazines around the world (including America's "Golf Digest" and the author of almost a dozen books about the game, Dobereiner compares to Palmer in his total preoccupation with and commitment to the sport. The book these two stars have collaboratively created is remarkable in a number of ways. It is incontestably the most complete and wide-ranging volume about putting ever published.
