Batman: The Long Halloween Jeph Loeb

Taking place during Batman's early days of crime fighting, this new edition of the classic mystery tells the story of a mysterious killer who murders his prey only on holidays. Working with District Attorney Harvey Dent and Lieutenant James Gordon, Batman races against the calendar as he tries to discover who Holiday is before he claims his next victim each month. A mystery that has the reader continually guessing the identity of the killer, this story also ties into the events that transform Harvey Dent into Batman's deadly enemy, Two-Face.

This edition includes original 13-issue series as well as four additional story pages cut from the original series, which are presented fully colored and restored to their place in the story. Also featured are sketches and an introduction by the director and writer of *The Dark Knight Rises*, Christopher Nolan and David Goyer.
