Lena Skye Q&A About "Mr & Mrs Kane"

So Lena, Congratulations on the new book. What made you decide to bring back Camille and Kyle for another adventure?

Thank you and to put it simply, it was down to the HUGE demand. The White Billionaire was one of the best selling BWWM Romances of last year. Hundreds of people have taken their time to leave their review of the White Billionaire series with many mentioning they would love to see "Mr & Mrs Kane" happen. Then I was getting emails almost every day asking me to do it so I guess it just had to be done!

Do any other familiar characters return in this?

Oh yes. You can expect to hear a lot about Camille's "sistas" Sandy and Cynthia. Cynthia, in particular, is going to be embarking on a romance with a young handsome billionaire of her own. You should also not forget that Camille is a mother now and Kyle Jr is also a little star in this show now too.

So is this a one-off story or a series of books?

It is a series of standalone books. I originally wanted to just write one story but as I was writing this one I

began to get ideas for further storylines and so I settled on doing 3 books in the “Mr & Mrs Kane” series but each book has it's own standalone storyline and resolution with a hint of what is to come in the next book. There are some pretty crazy storylines in there.

Really? So what sort of storylines should we expect?

Well I obviously can not give too much away but you can expect lots of drama, scandal and SEX of course. Kyle has bought a new batch of rope for this book especially. My lips are sealed you will just have to scroll up and click on “Buy Now” to start reading right away!
