Lorenzo Lowe:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
