**A Notable Social Studies Trade Books for Young People**

Have you ever wondered what it's like to live and work in the most important house in the country, or what it's like to grow up there? Now, with *The White House for Kids* as your guide, you can explore the Executive Mansion for yourself. This intriguing, in-depth history of the White House explains its role as a home, an office, and a powerful symbol of the United States and tells both famous and little-known stories about some of the surprising—and sometimes surprisingly ordinary—things that go on there. Learn which president hosted T-ball games on the White House lawn; which mischievous first son was scolded for shooting spitballs at a portrait of President Andrew Jackson; which first daughter held her high school prom in the famous mansion; which first lady hung her laundry to dry in the East Room; where first families go to work, entertain, relax, and have fun; how the White House staff feels to see beloved presidential families come and go; and much more. Crosscurricular activities allow readers to walk in the footsteps of presidents and those around them.
