Build a fully developed, multi-layered story from the ground up!

Writing a story is not that much different than building a house. Both require some brainstorming (to provide a clear vision), a blueprint or outline (to lay a solid foundation upon which that vision can be built), building or drafting (to make the vision a reality), and decorating or revising (to polish the masterpiece and make it presentable to the public).

In *From First Draft to Finished Novel*, novelist Karen S. Wiesner carefully explores each of these stages, showing you how to:

- Create a quick outline to help organize and expand your original idea
- Develop a detailed Story Plan Checklist to solidify your story's details
- Combine and effectively use tools like your outline and story checklist to weave together a cohesive draft
- Put together a strong query letter and submission package

This book also features exclusive worksheets, checklists, and detailed examples designed to help you:

- Improve your outlining techniques through the use of character, plot, and setting sketches
- Write a strong Story Plan Checklist that ensures your characters evolve and your plot progresses
- Develop your editing skills using revision and "punch" checklists

Whether you're working on a new story or a project in development, *From First Draft to Finished Novel* is your blueprint to a story readers won't be able to resist.
