## Make your own natural deodorant without chemicals

Are you starting to get dark underarms with your deodorant? Is your deodorant always failing you in times when you most need it? Are you still really getting your money's worth when you know you are damaging your skin with unknown harmful chemicals?

It's such a hassle just knowing how it can ruin your days' activities and fun nights out. You do not want to be leaving a stinky impression to the people you meet, do you? It might already be a sign for you to make a switch and this book has just the right answers to your questions as it contains the remedies to these common problems.

Homemade Deodorants are extremely quick and easy to make. And the ingredients that you will need are probably just lying around in your own kitchen. Making them can be very cost-efficient too. Just follow the easy steps that we have prepared for you. They are also healthier as they are all natural and organic. So you can now stay away from your harmful deodorant. They will make you feeling fresh and confident all the same.

Commercial deodorants contain harmful chemicals that can irritate your skin. Our underarms are one of the most sensitive skins in our body. Just imagine how much chemicals we are putting on it every time we go out. These toxic chemicals damage the sensitive skin in the long run and can even seriously harm your overall health and some may even cause and lead to cancer. So why suffer with these terrifying consequences?

This book will be your ultimate guide in keeping your underarms smelling good, fresh, and healthy. You will find out and understand what the real causes for stinky underarms are. Though we know perspiration is totally normal, we still do not want to be stinking with body odor.

You will also find inside some of the recipes in making your very own natural and organic deodorants. You can even customize them to your own preferences. You can have them in whatever form you like, whether you want them in the form of a cream, a stick, or even in the form of a spray. You can choose the scents you like and find the right deodorant that will match your skin type.

So make that shift now to a natural and organic deodorant that will keep your underarms healthy. Do this within the comforts of your own kitchen in steps as easy as 1-2-3! So, ready to make your own homemade deodorant?
