With its unique combination of primary sources and historical narrative, this volume provides an important new perspective on Holocaust history. Covering the peak years of the Nazi “Final Solution,” it traces the Jewish struggle for survival, which became increasingly urgent in this period, including armed resistance and organized escape attempts. Shedding light on personal and public lives of Jews, the book provides compelling insights into a wide range of Jewish experiences during the Holocaust. Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently, depending on their nationality, personal and communal histories and traditions, political beliefs, economic situation, and other circumstances. The rich spectrum of primary source material collected, including letters, diary entries, photographs, transcripts of speeches and radio addresses, newspaper articles, drawings, and institutional memos and reports, makes this volume an essential research tool and curriculum companion.
