**Shoot From The Hip: a poetic novel** Chad M. Christensen

The classic saga of the old man and the kid. Somewhere beyond the smoke, beer, whiskey and the goddamn cocaine, there is a sweet story about connection, fear of death, and insane craziness. But who the f#ck knows? That could be complete bull sh\*t. It could be about aliens and masturbation. Either way a person should be slightly twisted when reading this godforsaken tale about the "wicked ways" of man and the light of truth that trickles in past the horrors of living.
