Wrapped in Thought (Tales of the Citadel Book 2) Viola Grace

A talent for knowing what folks were thinking was something Aliiva had come to terms with, but leaving her home and using those skills at the Citadel was not something she was prepared for.

Learning etiquette, deportment and self defense becomes her focus, but when the combat instructors keep running away, what is she supposed to do?

Returning from a harsh assignment, Baengar is not very keen to take on a new apprentice, until he sees Aliiva. Making sure that she is prepared to take on whatever comes her way is his primary concern. As they get to know each other, the concern shifts into something much more intense, and when they are sent on a mission together he knows that they have a destiny beyond their duty.
