Cool Rules: Anatomy of an Attitude (FOCI) Dick Pountain, David Robins

Cool Rules introduces the reader to a new cultural category. While the authors do not claim to have discovered Cool, they believe they are the first to attempt a serious, systematic analysis of Cool's history, psychology, and importance.

The contemporary Cool attitude is barely 50 years old, but its roots are older than that. *Cool Rules* traces Cool's ancient origins in European, Asian, and African cultures, its prominence in the African-American jazz scene of the 1940s, and its pivotal position within the radical subcultures of the 1950s and '60s. Pountain and Robins examine various art movements, music, cinema, and literature, moving from the dandies and *flâneurs* of the eighteenth and nineteenth centuries through to the expropriation of a whole cultural and psychological tradition by the media in the 1980s and '90s. What began as a rebellious posture adopted by minorities mutated to become mainstream itself. Cool is now primarily about consumption, as cynical advertisers have seized on it to create a constantly updated bricolage of styles and entertainments designed to affect the way people think about themselves and their society.

Shannon Silva:

Reading a book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some study before they write with their book. One of them is this Cool Rules: Anatomy of an Attitude (FOCI).

Shirley Morales:

Can you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you just dont know the inside because don't judge book by its include may doesn't work at this point is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer is usually Cool Rules: Anatomy of an Attitude (FOCI) why because the great cover that make you consider about the content will not disappoint anyone. The inside or content is actually fantastic as the outside or perhaps cover. Your reading sixth sense will directly show you to pick up this book.

Penny Risley:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally.

As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Cool Rules: Anatomy of an Attitude (FOCI) can make you experience more interested to read.
