Fire And Emergency Services Administration: Management And Leadership Practices L. Charles Smeby Jr.

Fire and Emergency Service Administration provides an overview of the organization and management of a fire department and the relationship of agencies to the fire service. This text is primarily designed for use in Fire Science, Emergency Medical, and Emergency Preparedness programs at both the Associate and Baccalaureate levels. It can be used for self study or as a supplemental text. As a college text, it would be of interest to students in Fire Administration I, Advanced Fire Administration, and Personal Management for the Fire Service courses, as outlined in the FESHE curriculum.
