The SAGE Handbook of Action Research

The SAGE Handbook of Action Research

The third edition of **The SAGE Handbook of Action Research** presents an updated version of the bestselling text, including new chapters covering emerging areas in healthcare, social work, education and international development, as well as an expanded 'skills' section which includes new consultant-relevant materials.

Building on the strength of the previous landmark editions, Hilary Bradbury has carefully developed this edition to ensure it follows in their footsteps by mapping the current state of the discipline, as well as looking to the future of the field and exploring the issues at the cutting edge of the action research paradigm today.

This volume is an essential resource for scholars and professionals engaged in social and political inquiry, healthcare, international development, new media, organizational research and education.
