The Street Politics of Abortion: Speech, Violence, and America's Culture Wars (The Cultural Lives of Law) Joshua Wilson

The U.S. Supreme Court decision in *Roe v. Wade* stands as a historic victory for abortion-rights activists. But rather than serving as the coda to what had been a comparatively low-profile social conflict, the decision mobilized a wave of anti-abortion protests and ignited a heated struggle that continues to this day.

Picking up the story in the contentious decades that followed *Roe*, *The Street Politics of Abortion* is the first book to consider the rise and fall of clinic-front protests through the 1980s and 1990s, the most visible and contentious period in U.S. reproductive politics. Joshua Wilson considers how street level protests lead to three seminal Court decisions—*Planned Parenthood v. Williams*, *Schenck v. Pro-Choice Network of Western N.Y.*, and *Hill v. Colorado*. The eventual demise of street protests via these cases taught anti-abortion activists the value of incremental institutional strategies that could produce concrete policy gains without drawing the public's attention. Activists on both sides ultimately moved—often literally—from the streets to fight in state legislative halls and courtrooms.

At its core, the story of clinic-front protests is the story of the Christian Right's mercurial ascent as a force in American politics. As the conflict moved from the street, to the courts, and eventually to legislative halls, the competing sides came to rely on a network of lawyers and professionals to champion their causes. New Christian Right institutions—including Pat Robertson's American Center for Law and Justice and the Regent University Law School, and Jerry Falwell's Liberty University School of Law—trained elite activists for their "front line" battles in government. Wilson demonstrates how the abortion-rights movement, despite its initial success with *Roe*, has since faced continuous challenges and difficulties, while the anti-abortion movement continues to gain strength in spite of its losses.
