It is no secret that we all would like to be rich. Many of us feel that if we had a little bit more money (or a lot more money, depending on the person) then all of our worries would be over.

In that line of thinking, we wouldn't have to worry about where we live, what we are going to eat, or what we are going to wear. It really does feel like to many of us that if we had enough money, we wouldn't have an issue with anything.

While this is definitely a stretch, there is some truth to it. Money can't fix all of your problems, but it can really make a lot of things better in your life, and who doesn't want that?

This man knew how to handle stocks, and he knew how to handle money, and even though he was ridiculed and ignored at the time, he now is on top of his game.
