Douglas J. Soccio

Archetypes of Wisdom: An Introduction to Philosophy (CD-ROM & InfoTrac) Douglas J. Soccio
Featuring Douglas J. Soccio's lucid and conversational prose and a well-chosen, reader-friendly array of succinct excerpts from canonical primary sources, ARCHETYPES OF WISDOM brings philosophy to life for its readers through the examination of many paradigmatic philosophies and philosophers. Very much a student-focused book that speaks out of Soccio's non-condescending desire to speak to students where they "are" and not where they "should be," ARCHETYPES OF WISDOM includes numerous pedagogical illustrations and features (Philosophical Queries, a Marginal Glossary, Chapter Summaries, End-of-Chapter Questions for Reflection, to name a few) to make this often-times daunting subject the approachable and engaging subject it ought to be.
