## **Epiphany Jones** Michael Grothaus

Jerry has a traumatic past that leaves him subject to psychotic hallucinations and depressive episodes. When he stands accused of stealing a priceless Van Gogh painting, he goes underground, where he develops an unwilling relationship with a woman who believes that the voices she hears are from God. Involuntarily entangled in the illicit world of sex-trafficking amongst the Hollywood elite, and on a mission to find redemption for a haunting series of events from the past, Jerry is thrust into a genuinely shocking and outrageously funny quest to uncover the truth and atone for historical sins.

A complex, page-turning psychological thriller, riddled with twists and turns, Epiphany Jones is also a superb dark comedy with a powerful emotional core. You'll laugh when you know you shouldn't, be moved when you least expect it and, most importantly, never look at Hollywood, celebrity or sex in the same way again. This is an extraordinary debut from a fresh, exceptional new talent.
