## Love Me ~ Like That Renee Kennedy

It's a battle between her head and her heart.

Bailey Reynolds never thought she would ever in her life have to choose between someone that will give her everything she wants in life and someone that makes her feel like she is everything in his life. How does this southern spitfire choose between what her heart wants versus what her head tells her she wants?

Hendrix~

Can make her dreams come true

Reaches in the sky and buys any star she desires

Wants to set up a perfect life for her with everything she needs or could want

But every so often can't dry her tears

He's not perfect but he was until ~ CASH

Cash~

Sets her world on fire.

He is everything her heart wants but, not necessarily what her head wants.

He creates his own stars and catches all her tears.

But is love enough?

Sometimes life is full of hard choices but that is when the biggest blessing take root.
