Native American Beadwork Patterns Barbara Houdeshell (Maka Nah*i Wee Ya)

The patterns in this book are presented in the three formats most popular among beaders - colored freehand drawings; non-colored freehand drawings, and patterns drawn on size 11 beading graph paper. These last two can be copied and the colors filled in by the beader. The patterns can also be used for embroidery and painted works.

Designs include Sioux Star with a Bear Paw, Buffalo Spirit, Red & Yellow Arrow Geometric, Red & Black Geometric, Four Feathers, Sunburst, Blue & White Geometric, various Butterflies, Medicine Buffalo, several Flower patterns including Tulips, Roses, Steeple Flowers, Christmas Flowers and more, Orange Rosebud, Dove of Peace, Christian Crosses, a Jesus oval, Turtles, Feathers, more Geometrics, Dragonflies, Star of Joy, a Horse, a Fish and more. The Medicine Buffalo Pattern includes an illustration showing how to place beads within a pattern.

All the patterns can be enlarged or reduced in size to fit a particular area and they can be combined to form more complex patterns. Templates for popular beaded items such as barrettes, bolos and hairties are provided, but don't stop there - use the patterns for belts, hatbands, bracelets, pouches, wallets, purses, jackets, fans and anything else that can be decorated with beads.

There are 24 photographs of beaded pieces that show different patterns and combinations, including Bear & Salmon, Medicine Wheels, Roses and several Geometrics. Most are detailed enough to show how the beads are sewn into the pattern. Beaded items shown include bolo ties, a belt, breastplate center decoration, belt side tab, vest, barrettes, kneeband, armband, and a bustle center.

May your creative juices flow as you use this book! 48 pages in full color. 142 illustrations. Every beader should own this new book of authentic Native American designs.

From reader reviews:

Michael Battle:

In this 21st one hundred year, people become competitive in most way. By being competitive today, people have do something to make these survives, being in the middle of the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yep, by reading a book your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading any book, we give you this particular Native American Beadwork Patterns book as starter and daily reading book. Why, because this book is usually more than just a book.

Jonathan Solis:

Spent a free a chance to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Can be reading a book could be option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the reserve untitled Native American Beadwork Patterns can be excellent book to read. May be it can be best activity to you.

Steven Craig:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book has been rare? Why so many problem for the book? But any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and Native American Beadwork Patterns as well as others sources were given understanding for you. After you know how the great a book, you feel desire to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In some other case, beside science publication, any other book likes Native American Beadwork Patterns to make your spare time much more colorful. Many types of book like this one.

Joseph Franson:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Native American Beadwork Patterns can make you really feel more interested to read.
