“What you seek is seeking you.” —Rumi

It can be difficult to know what we are seeking and recognize what is seeking us; but it is essential to prevent any obstacles from keeping us from what will finally bring us back to our true selves.

For Angelica Mee, Payne Porter, Eviann Adams, Helena Sawolynska, Rachel Taylor, and Bo Strickler, the answer to this question requires them to journey into their daily lives and meet the challenges that have blocked them from seeing who they truly are. With the aid of ancient and contemporary guides, prophetic dreams, and synchronistic events, they struggle to reunite with a fundamental part of self—the child of wonder and delight, a long-forgotten principle that can bring them back to their essential selves.
