The Concrete Pearl Vincent Zandri

How does a headstrong girl like me learn to survive in a man's construction racket? By taking your old man's advice, even if it comes from six feet under.

Thirty-eight-year-old Ava "Spike" Harrison can hold her own in the boys club that is the construction business. Her late father saw to it that she was as comfortable on a job site as she was behind a textbook. But the past few years have had her over a barrel—job site injuries and a string of bad luck, including the death of her husband, have hampered the venerable Harrison Construction Company. Taking a cheap job here and there has been her only option.

Grasping at straws, though, comes at a price: an asbestos removal contractor she's hired, Jimmy Farrell—a lifelong acquaintance who gladly accepted \$10,000 from Spike as a "good faith" incentive—has gone AWOL. The three hundred students at Albany's PS 20, the job site, are about to be exposed to deadly asbestos fibers.

What starts out as a goose chase—from a cleared-out office to Jimmy's impounded car—turns into an all-out search for the real story behind the man's sudden disappearance. Trading in her work boots for gumshoes, Spike must tread a path paved with deception, greed, and even murder if she's going to nail down the truth.

Vincent Zandri, author of the popular Moonlight saga, spins intrigue and danger with a thrilling new series and a sharp, feisty heroine who has little left to lose.

John Keaney:

A lot of people always spent their own free time to vacation or even go to the outside with them household or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read the book. It is really fun for you personally. If you enjoy the book which you read you can spent the entire day to reading a guide. The book The Concrete Pearl it is very good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore effortlessly to read this book from a smart phone. The price is not to cover but this book provides high quality.

Douglas Gibson:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Concrete Pearl can make you really feel more interested to read.
