The Promise Remains/The Watermark: A Collection of Love Stories Travis Thrasher

Two stories about love and forgiveness, now repacked into one volume!

The Promise Remains: Sometimes our first love ends up being our last. Sometimes people cross your path whom you're unable to forget. Ethan Ware never expected to be so willing to give away his heart. Sara Anthony never knew she would be so willing to accept it. But from their first meeting in the hills of Hartside, North Carolina, the two discover friendship stronger than either of them could ever have imagined.

The Watermark: Sheridan Blake believes he has made one mistake that is beyond the reach of God's forgiveness. Even after seven years of hopelessness, Sheridan still struggles to make something out of his life. When Genevie interrupts his self-imposed isolation, Sheridan dares to hope for a second chance.
