20 Quick and Easy Christmas Desserts Inspired by Hansel and Gretel: Plus Bonus Content for Book Clubs Studying Hansel and Gretel, Les Miserables, and ... (Twenty Twenty Books and Food) (Volume 1) Buffy Naillon

This Christmas season installment of the *20/20 Books and Food Series* brings together *Hansel and Gretel*, *Les Miserables*, and *The Hunger Games*. A copy of the classic Grimms' fairy tale is included in this book.

If you've always thought that books were delicious...

The *20/20 Books and Food Series* is the series that dessert lovers and book clubs have been looking for, but didn't know it. This book series brings together twenty thought-provoking book club questions and twenty recipes in the same book. Each book in the series is really two books in one. The first part of the book gives you popular Christmas season recipes. The second part of the book gives you questions to make any book club party or cookie exchange all the more lively.

Additionally, these are no ordinary conversation starters. While most book club questions lists feature subjects like theme and plot -- (although you'll get those, too, with this series) -- none specifically highlight the role that food plays in novels. The topic of food provides a thematic bind between each book featured in this cookbook/ book club guide -- books that your club might have never thought of reading together, but once you do, you'll wonder how you could have missed the connection between them.

And at least one of the three stories featured in this installment of the *20/20 series* provides inspiration for the decadent dessert recipes found in this cookbook.

Food. Books. Friends. No doubt about it. The *20/20 Books and Food Series* is the best collection of questions and recipes designed to help your club cook up interesting and memorable book club conversations and decadent food.

This edition of the *20/20 Books and Food Series* includes the following recipes:
