## **A Perilous Path: The Misguided Foreign Policy of Barack Obama, Hillary Clinton and John Kerry**

Anne R. Pierce

Exposing the moral and strategic deficits of the Obama, Clinton and Kerry approach to world affairs, *A Perilous Path* takes a close look at American history and the American foreign policy tradition, while at the same time providing fresh, thought-provoking analysis.

Anne R. Pierce tells the fascinating story of Obama administration foreign policy and illustrates its disturbing consequences. She shows that President Obama and his Secretaries of State expended more effort in improving relations with dictatorships than in strengthening ties with democracies or encouraging ideas of freedom. With meticulous research, Pierce documents the administration's decisions and discusses its worldview. She reveals vital information regarding Hillary Clinton's tenure as Secretary of State, providing a cautionary account of what we can expect from a Clinton presidency.

*A Perilous Path* will make a substantial contribution to the discussion about America's proper role in the world.
