Ember's Curse (Prime Wolf Book 1) Gena D. Lutz

For Prime-Werewolf Ember Stilwell, life has been far from normal. Decades ago, a vengeful Witch cursed her Pack, leaving the women of her line incapable of feeling love. When an organized group of immortal killers begin to stalk and capture wolves from her pack, she sets out on a path fraught with danger. Just when it seems the world as she knows it will be changed forever, she meets Collin, an Alpha Werewolf with a body built for sin. As her heart begins to heal, she comes to find that the demons of her past are not nearly as dangerous as the nightmares she will be forced to face in her future. Can finding her true love conquer all? Or will the ability to feel for the first time be overshadowed by losing everything else she holds dear?
