Before there was the family, there was just the business.

From the minds of *New York Times* bestselling authors Carl Weber and Eric Pete comes the game-changing prequel to their blockbuster Family Business saga. Travel back to a small Southern town where, before there was Duncan Motors, there were the Duncan brothers: Louis, aka Sweet Lou, a lover of ladies and life . . . and a man you did not want to cross; Lawrence, aka Larry, a screw-up as attracted to trouble as it was to him; and Lavernius, better known as LC, the soft-spoken college boy who simply wanted to sell cars.

But the Duncan brothers weren't alone at the crossroads. There was also the mysterious and seductive Chippy, a woman who saw a way out of her circumstances and dared to take it.

Witness what changed the course of their lives when ambitions intersected with opportunity that came calling one day in the form of a man named Alejandro Zuniga. Welcome to the familiar, but as you've never seen it before.
