The writing principle is situational teaching method (TPRS). This method follows the basic rules of foreign language learning, introduces personalized stories in teaching. In the free and happy learning environment students not only learn and master basic vocabulary but also truly develop their actual communicative competence. This book is divided into 4 volumes, each volume about 80~100 courses and is designed specifically for Chinese teaching in junior and senior middle schools. Textbook has comprehensive coverage of four basic language skills: listening, speaking, reading and writing.
