The Laskett: The Story of a Garden Roy Strong

The Laskett is an intimate history of the garden Roy Strong made with his wife, Julia Trevelyan Oman—the largest formal garden created in the country since 1945. This personal book is the tale of a marriage as much as the tale of a garden, as into the Laskett they etched their own biographies, including many of the people who have crossed their lives and are commemorated within it.
