North Pole City Tales: Book Three

Rein Dear is a prestigious title, accompanied by admiration, devotion, and celebrity status, all of which one saucy Vixen thrives on. Alas, Vixen's only concerned with having fun, unlike his stuffy and sensible best friend, Rudy Rein Dear, who Vixen has always been jealous of. Aside from being chosen by Mayor Kringle to be captain of the Rein Dear Squadron, Rudy's managed to snag himself a prince, even if that prince is the dangerous and imposing Jack Frost.

All's not lost for Vixen though. He discovers Jack's cousin Vale has a soft spot for him. Vale Frost might not be a dashing prince, but he's the next best thing: a decorated lieutenant for the Toy Soldier Army, and a member of the Frost monarchy.

Determined to get what Vixen feels he deserves, he sets off on a mission to ensnare the kind-hearted lieutenant. But Vixen's selfish ways are sure to lead to disaster, and it'll take more than a little courage to set things right.
