REVIEWS:

"Loved it! The character and story development allowed me to submerge myself in the book and I found myself wanting to continue to read chapter after chapter to know what happens next. This was not your typical book, it has plenty of creative adventures to keep you guessing." -David from Angel Codes

"Falling Angels is the second book in the outstanding Angelfire series by Ami Blackwelder. As with the first book, I was immediately drawn in to the story, as it is extremely engaging and interesting. I did find it somewhat fast paced, but not confusing at all, so it was easy to follow. The characters from the previous novel She Speaks to Angels did come back, and they were deeper and more adult than the first book, which follows the storyline of a deep and dangerous conflict perfectly. I would recommend reading in order to get the full benefit of the story told in order. As a lover of angels, this book was a perfect read for me, as it would be for others as well." -Night Owl Reviews from Falling Angels

"I really liked how you learn more about Dameon. This tied into She Speaks to Angels but it also can be a stand alone story. I loved it and felt compassion for Dumah when she found her place with the Dark Angels. Now I'm going to have to go back and read She Speaks to Angels again.

This is a great novella, just a quick taste to get you wanting more with She Speaks to Angels and Falling Angels." -Amazon Customer from Dumah's Demons

"You will be waiting impatiently on the edge of your seat as you wait for what will happen on the next page. I am greatly looking forward to the release of book two." - Deb from She Speaks to Angels
