Greek tycoon Nikolai Andretti is out for revenge. Four years ago, Tabitha MacComber made a fool of him. Now he has gained controlling interest in her family's business. He makes a deal with her: if she becomes his mistress, he won't sell off the factory and put all the families in the village out of work. Tabitha remembers Nik and the painful past they share. She fell in love with him, only to have him tear her heart apart with lies. Now he's back and she can't find another way to save all the people who depend on her. But she also finds things about Nik that she wasn't prepared to discover. And she realizes that she's still in love with him.
