This book was written in response to the difficulties students have with the Course's Christian context and its emphasis on Jesus. It first discusses the principles of A Course in Miracles, specifically focusing on the dynamics of the ego and the meaning of forgiveness. Next, the teachings of Christianity are presented in the light of these principles, with the person of Jesus also discussed in depth. Throughout, special attention is given to the application of the Course's principles to important areas in our lives such as injustice, anger, sickness, sexuality, and money.
