I Will Always Love You takes place in the aftermath of 9/11, two weeks after the planes hit the world Trade Center in New York City.

Survivor Christopher Michaels scares Miranda with claims that if one dies violently, his ghost will haunt the place that holds his name. But the last thing Miranda ever expected was to see her brother's ghost at the fallen Twin Towers.

Their parents' deaths separated Miranda from Jake when they were kids. Michaels insists Jake brought them together and it's no coincidence that of thousands mourning at Ground Zero, it's his best friend she bumps into. Miranda has no choice but to hang out with the weird Michaels in order to unravel her brother's past.

As Miranda spends time with Michaels, she begins to wonder who he really is. Against her better judgment, Miranda becomes emotionally entangled with Michaels, a bitter alcoholic with a secret linked to her brother.

I Will Always Love You is part mystery, suspense and romance, a novel that will keep the reader turning the pages

Belinda Vasquez Garcia's books have won nine awards, including 2 BEST HISTORICAL FICTION awards.
