Welcome back to VIRGIN RIVER with the books that started it all...

After years spent on ranches around Los Angeles, Clay Tahoma is delighted to be Virgin River's new veterinary assistant. The secluded community's wild beauty tugs at his Navajo roots, and he's been welcomed with open arms by everyone in town—everyone except Lilly Yazhi.

Lilly has encountered her share of strong, silent, traditional men within her own aboriginal community, and she's not interested in coming back for more. In her eyes, Clay's earthy, sexy appeal is just an act used to charm wealthy women like his ex-wife. Lilly can't deny his gift for gentling horses, but she's not about to let him control her. There's just one small problem—she can't control her attraction to Clay.

But in Virgin River, faith in new beginnings and the power of love has doors opening everywhere....

Look for *What We Find* by Robyn Carr, a powerful story of healing, new beginnings and one woman's journey to finding the happiness she's long been missing. Order your copy today!
